The screenshot shows a web browser window with a single tab titled "SouthSide Register". The address bar displays the file path: "C:/Users/PRASANNA/Downloads/E%20Commerce%20Final/E%20Commerce/Southside//Register.html". The main content area has a blue gradient background and features a white dashed rectangular box containing the registration form. The form is titled "REGISTRATION" in bold white capital letters. It includes five input fields with placeholder text: "User name" (with "user name" below it), "E-Mail" (with "E mail address" below it), "Create password" (with "create password" below it), and "Confirm password" (with "confirm password" below it). A white "Submit" button is positioned below the input fields. At the bottom of the dashed box, there is a link: "Already have an account [Login now](#)". The Windows taskbar is visible at the bottom, showing the search bar, task view button, and several application icons (Chrome, File Explorer, Edge, Task Manager, VS Code, and another Chrome instance). The system clock in the bottom right corner indicates the time is 12:12 AM on 11/19/2022.
