Registration:

The screenshot shows a web browser window with a single tab titled "SouthSide Register". The address bar displays the file path: "C:/Users/PRASANNA/Downloads/E%20Commerce%20Final/E%20Commerce/Southside//Register.html". The main content area has a blue gradient background. In the center, a white dashed rectangular box contains the registration form. The form is titled "REGISTRATION" in bold white capital letters. Below the title, there are five input fields, each with a label above it: "User name", "E-Mail", "Create password", "Confirm password", and "Submit". The labels for the first four fields are in a light blue font, while the "Submit" button is a white button with a blue border. Below the "Submit" button, there is a link that says "Already have an account [Login now](#)". The Windows taskbar is visible at the bottom of the screen, showing the search bar, task view button, and several application icons (Chrome, File Explorer, Edge, Task View, VS Code, and another Chrome instance). The system tray on the right shows the time as 12:12 AM on 11/19/2022.
